of ENGINEERING

Introduction to Robotics

Instructor Introduction

Who am I?

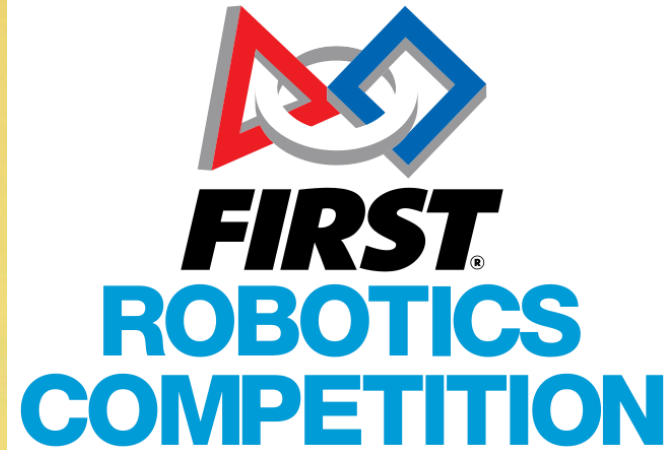

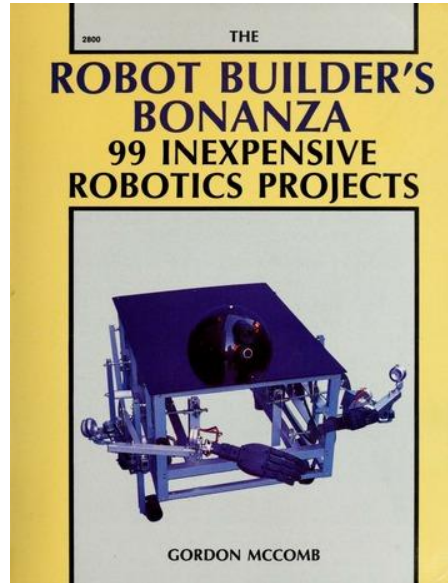

Dr. Galen Mullins

Research Interests:

Artificial Intelligence, Machine Learning, Robotics,
Autonomous Vehicles, Testing and Evaluation

Robots for as long as I can remember

Education

B.S. Mathematics
B.S Mechanical Engineering

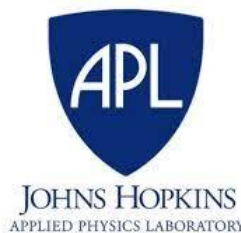

EP Alumnus!
M.S. Applied Physics

Ph.D. Mechanical Engineering

Employment

JHU Applied Physics Lab
Air and Missile Defense
Research and Exploratory
Development

Apple
Special Projects Group

Microsoft Research
Embodied AI Lab

Microsoft Research
